

# LCC Secondhand Smoke Survey Results

Survey dates: March 7, 2008 – April 6, 2008

Total Respondents: 5,219

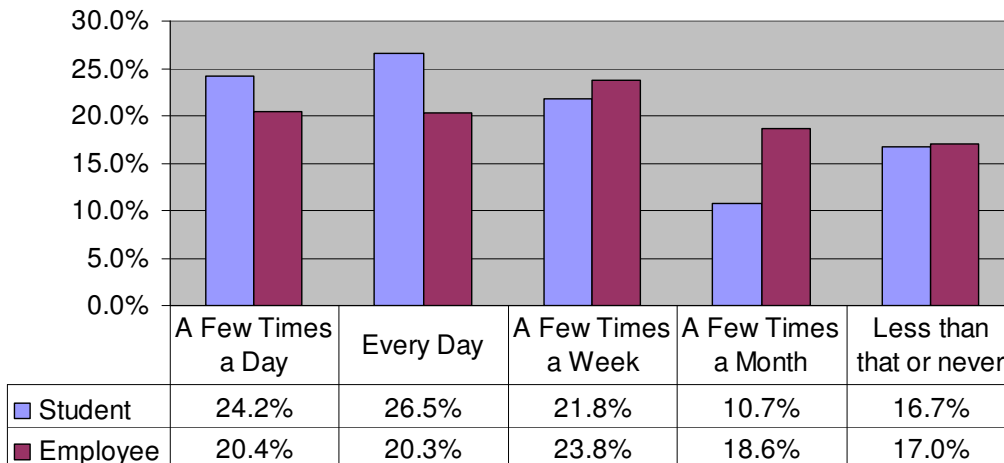

- 807 Employees (15.5%)
- 4,412 Students (84.5%)
- 155 Abstained from identifying

Question 1. Please identify which population you primarily fall under.

Employee	807
Student	4,412
Abstained	155

Question 2. Second-hand smoke is smoke from someone else's cigarette, cigar or pipe that you breathe. How often would you say you are exposed to secondhand smoke on campus?

Question 3. Would you say secondhand smoke on campus typically bothers you a lot, a little, or not at all?

Question 4. Have you experienced any immediate health effects from second-hand smoke on campus, such as coughing, wheezing, or allergic reactions?

Question 5. Do you agree or disagree with the following statement: It is ok for colleges to prohibit smoking on campus if that is necessary to keep second-hand smoke away from other students and employees.

Question 6. Would you support or oppose LCC becoming tobacco-free if quit smoking services are provided?

Question 7. Do you agree or disagree with the following statement: Daily exposure to even small amounts of second-hand smoke is a serious health risk.

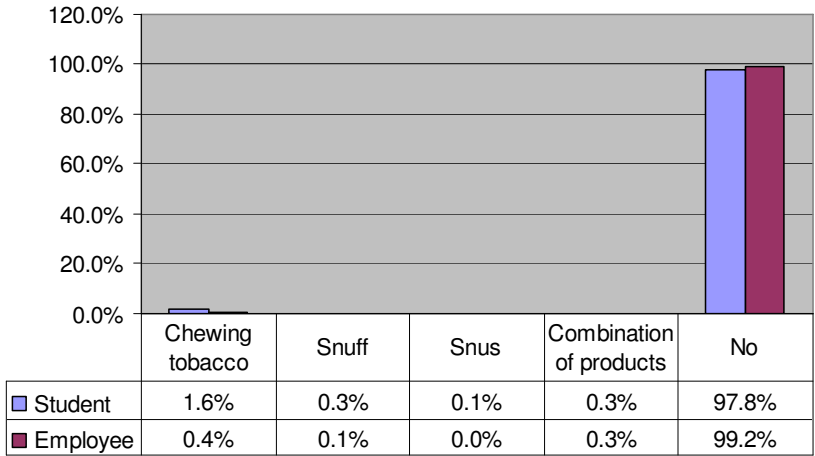

Question 8. Do you agree or disagree with the following statement: Other things being equal, I would choose a "smoke-free" college over a college that allows smoking on campus.

Question 9. Do you now smoke cigarettes every day, some days, hardly ever or not at all?

Question 10. Do you currently use any smokeless tobacco products?

Question 11. If you currently smoke cigarettes or use smokeless tobacco products, would you like to quit?

Question 12. Have you heard of the Oregon Tobacco Quit Line (1-800-QUIT NOW)?
