- Estimate of number of quit attempts needed under the benefit
- Relative costs of various treatment options
- Benefit scenarios in different health systems
- Impact of smoking reduction on health care utilization and productivity.

1:00 – 1:30

Getting Started

Purpose: document a consensus about an effective “Oregon Benefit” to be used within health plans and health care organizations for considering options when determining benefits.

- Key points to include? What do we agree on so far?
- Key audiences?
- Suggestions for how document can be used and disseminated?
