in productivity losses due to premature tobacco-related deaths

Among tobacco retailers assessed in Morrow County

100% advertised tobacco outside

7 in 10 displayed tobacco near toys or candy

100% sold flavored tobacco

\$1.12 was the average price of a single, flavored little cigar

The Tobacco Industry spent **\$112 million** a year promoting tobacco products in Oregon stores in 2012.

Components of a comprehensive tobacco prevention program

Oregon's Tobacco Prevention and Education Program (TPEP) supports local public health authorities to serve all 36 counties and nine federally-recognized tribes. TPEP works to:

- Engage communities in reducing the tobacco industry influence in retail stores
- Increase the price of tobacco
- Promote smokefree environments
- Provide support and resources to Oregon smokers who want to quit
- Engage diverse populations of Oregonians

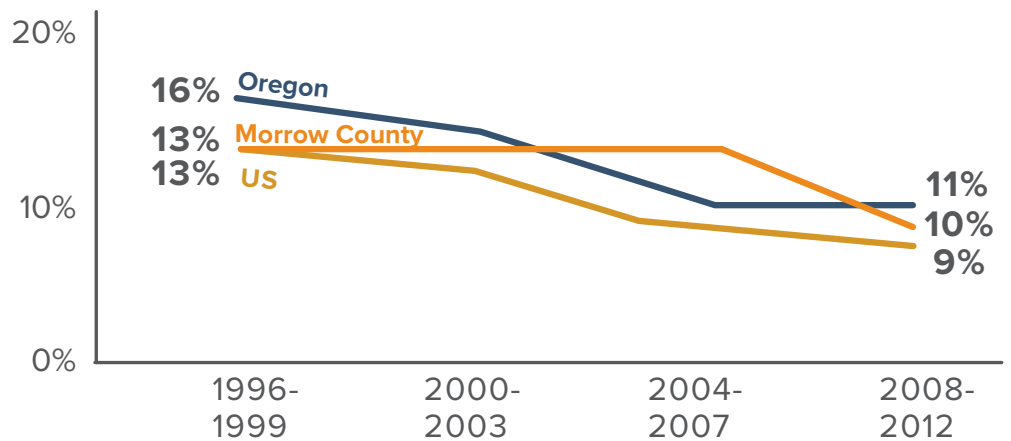

Adult cigarette smoking

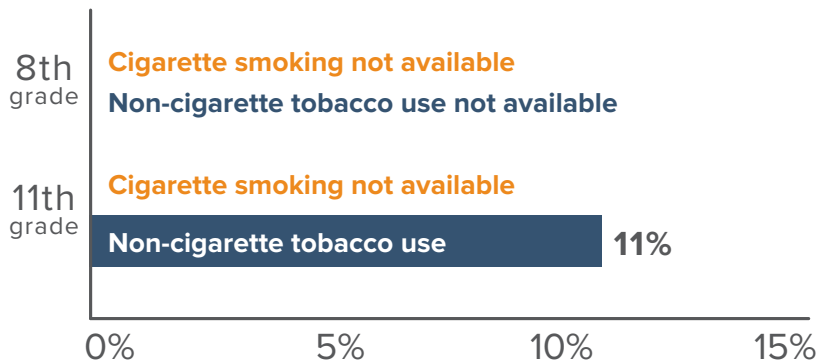

Cigarette smoking among adults in Morrow County is **lower** than the rest of Oregon.

Cigarette smoking during pregnancy

Cigarette smoking among pregnant women in Morrow County is about the same as Oregon overall and the rest of the United States.

Youth cigarette and non-cigarette tobacco use

One in ten 11th graders in Morrow County uses non-cigarette tobacco products.

Note: non-cigarette tobacco products include: cigars, pipe tobacco, hookah tobacco, chewing tobacco, dissolvable tobacco, and electronic cigarettes.
