sold products within 12" of toys, candy, gum, slushy/soda or ice cream

5 in 8

offered price promotions/discounts

75%

advertised cigarillos for less than \$1

Components of a comprehensive tobacco prevention program

Oregon's Tobacco Prevention and Education Program (TPEP) supports local public health authorities to serve all 36 counties and nine federally recognized tribes. TPEP works to:

- Engage communities in reducing the tobacco industry's influence in retail stores
- Increase the price of tobacco
- Promote smoke-free environments
- Provide support and resources to Oregon smokers who want to quit
- Engage diverse populations of people in Oregon

Adult cigarette smoking¹

Cigarette smoking among adults in Curry County is **higher** than Oregon overall and the rest of the United States.

Adults exposed to secondhand smoke indoors¹

Secondhand smoke exposure for adults in Curry County is **higher** than Oregon overall.

Youth tobacco use⁷

Among 11th graders in the Southwest Oregon region, e-cigarette use was **higher** than cigarette smoking in 2017.

Note: The Southwest Oregon region includes Coos, Curry, Douglas, Jackson, Josephine and Klamath Counties. Estimates are reported by region instead of county when one or more estimates from the county level represented too small a population to be reliable.

* 'Any other tobacco product' includes any smokeless tobacco, small or large cigars, or hookah use.
