Components of a comprehensive tobacco prevention program

Oregon's Tobacco Prevention and Education Program (TPEP) supports local public health authorities to serve all 36 counties and nine federally recognized tribes. TPEP works to:

- Engage communities in reducing the tobacco industry's influence in retail stores
- Increase the price of tobacco
- Promote smoke-free environments
- Provide support and resources to Oregon smokers who want to quit
- Engage diverse populations of people in Oregon

Adult cigarette smoking¹

Cigarette smoking among adults in Polk County is **lower** than Oregon overall and the rest of the United States.

Adults exposed to secondhand smoke indoors¹

Secondhand smoke exposure for adults in Polk County is **higher** than Oregon overall.

Youth tobacco use⁷

Among 11th graders in Polk County, e-cigarette use was **similar** to cigarette smoking in 2017.

* 'Any other tobacco product' includes any smokeless tobacco, small or large cigars, or hookah use.
